Dated Itanagar, the 20th April, 2013

ORDER

Sub: Preventive Law and Order Action -Regarding

The Commission being aware of the possibility of untoward elements indulging in criminal activity to shake the confidence of electorate as well as election machinery considers it expedient to direct the authorities responsible for law and order in their respective jurisdiction to take necessary pre-emptive measures over and above the purview of normal law and order arrangements.

Besides deployment of Central Police Force during the process of elections particularly on poll day and the day of Counting of votes to assist the State law and order machinery in prevention of pre and post-poll violence, regulation of vehicular traffic, regulation and ban on the sale of liquor, seizure of illicit arms, close watch on corrupt practices like distributing money, slaughter of animals to distribute meat to lure voters etc. , some extra preparatory measures need to be taken to tighten the local law and order outfit and enforce with adequate strictness the day-to-day criminal administration.

The Commission would like the Deputy Commissioners to undertake prophylactic measures and report regularly the progress and the effects of such measures. A special drive should be launched to compile list of such persons as are reported to have indulged in electoral offences like booth capturing, intimidation etc in each police station during the past elections and such list should be in possession of the respective Deputy Commissioners cum District Election Officers and the Returning Officers of the respective constituencies of Panchayats and Municipalities for necessary action and to keep a close watch on such persons.

Strict vigil shall be maintained by thorough checking of light vehicles, trucks etc from three days before the date of poll to ensure that no undesirable elements or arms enter into the constituency/ Wards and to apprehend them if they are doing so. Such checking of vehicles shall continue till the completion of counting of votes and the declaration of results.
